LOCH LOMOND
EXCLUSIVE USE VENUE

Exclusive use with a difference

A warm welcome to Ardoch Loch Lomond, one of the most unique exclusive use venues in Scotland. The stunning backdrop of Loch Lomond provides a majestic setting, with 133 acres of private countryside for guests to enjoy.

Plenty of indoor and outdoor spaces, fresh air in abundance and combined with a wonderfully relaxed feeling. Our lovely spaces lend themselves perfectly for retreats and wellbeing gatherings. Immerse yourself in our expansive landscape and find space to breathe... inspire... think... create... connect.

Yours exclusively for the duration of your stay. It's perfect for up to 18 single overnight guests, or up to 33 with double/twin occupancy.

Let your guests settle in and enjoy the beautiful away from it all setting. Time spent here is an investment in your guests and enhances relationships, refreshing perspectives and bringing a new sense of balance to body, mind and soul.

In 2020, Ardoch was gifted to the charity CHAS (Children's Hospices Across Scotland), with the purpose to establish Ardoch as a profit with purpose venue, and become a destination of choice for special events, providing a 4-star experience.

Guests can book in the knowledge that by choosing Ardoch, you are choosing a fabulous venue for your occasion, and with all profits going to CHAS, you are also helping CHAS to build a sustainable and innovative source of new income, which in turn will help many families across Scotland.

More than a venue

Ardoch ensures complete privacy. There is ample indoor and outdoor space for your group to use for a wide variety of activities, and leisurely walks around the grounds to stimulate the mind.

Breakout Inside and Outside

Ardoch has been designed to give people freedom to roam and break off into smaller groups whenever they need to.

There are small nooks with sofas, fireside armchairs and side rooms where you can talk or simply take a few moments to relax. Ardoch is yours for all the time you're with us and the spaces are yours to use however you want – from the largest to the smallest.

Dining

Food and drink are a big part of any event, and we can organise menu packages that include breakfast, lunch, dinner, afternoon tea, snacks or even a picnic for you and your group.

Our menus are tailor-made to suit your group and the seasons. All dietary requirements can be catered to, and fully vegetarian or vegan menus are available. Your guests will enjoy healthy and varied menus for the duration of their stay.

We can also help organise décor, music and entertainment to compliment your event.

Accommodation

Ardoch has 18 beautiful ensuite bedrooms spread across Ardoch House, The Cottages and Barn ~ all with lovely views looking over the loch or surrounding hills and mountains, and all with a warm, comfortable and welcoming feel.

Things to do in the area

Our amazing location in one of Scotland's most beautiful National Parks means that we are literally surrounded by adventure and experiences. Loch Lomond is one of Scotland's favourite places to enjoy some thrilling water sport activities. The area also overflows with land-based activities - golf courses, hill walks and bike trails. A little further afield explore historic castles and whisky distilleries, or visit cosmopolitan Glasgow for fantastic shopping, culture, museums and restaurants.
